KRISTINA

Kristina was a modest girl at first, but she decided that making a sex video was a sure way to get laid. She asked Ryan to come over with his video camera and set it up in the back yard. When she told him why, he was thrilled. He turned the camera on, she turned him on, and we get to see the final results.

Hot sex in a rock & roll van

As a rock and roll musician, I lead a fast life. But there is one encounter that stands out in my memory. The band—Chuck the drummer, Bill on lead guitar, Johnno the bass player, and me, Chase, on keyboard —had finished up a gig and we had to drive 500 miles to Miami to do a concert.

It was about two o'clock on a Friday afternoon when we all piled into our rig, a converted Dodge van with the back seats removed. We had a carpet on the floor with a thick brown rug, where we slept and fucked around. Bill was driving, and we hit the highway for a couple of hours before we stopped in this hick town to get a little something to eat.

After a quick meal, I got back to the van to find Johnno already inside with two chicks. I took one look at them and decided right then and there I didn't mind the crowd. They had the biggest tits I'd seen in quite a while, and they were barely held in by t-shirts knotted at the bellybutton. Very short cut-off jeans topped their mile-long tanned legs.

"Meet Debbie and Denise," Johnno said. The girls giggled and smiled, and I guessed they were both 18 or 19 years old. Their long blonde hair was constantly being thrown about as they tossed their heads. "They're sisters," Johnno said, laughing. "Can't you tell?"

Indeed I could. With a matching pair of big tits and pretty faces and that silky hair, they were a dream come true. I saw a couple of bags in the corner, which had to belong to the girls.

"We're going to give them a lift," said Johnno. When the other two guys came back to the van, we were on the move.

"Do you know you've got a great pair of tits," Johnno said to one of the girls, his hand already well inside her

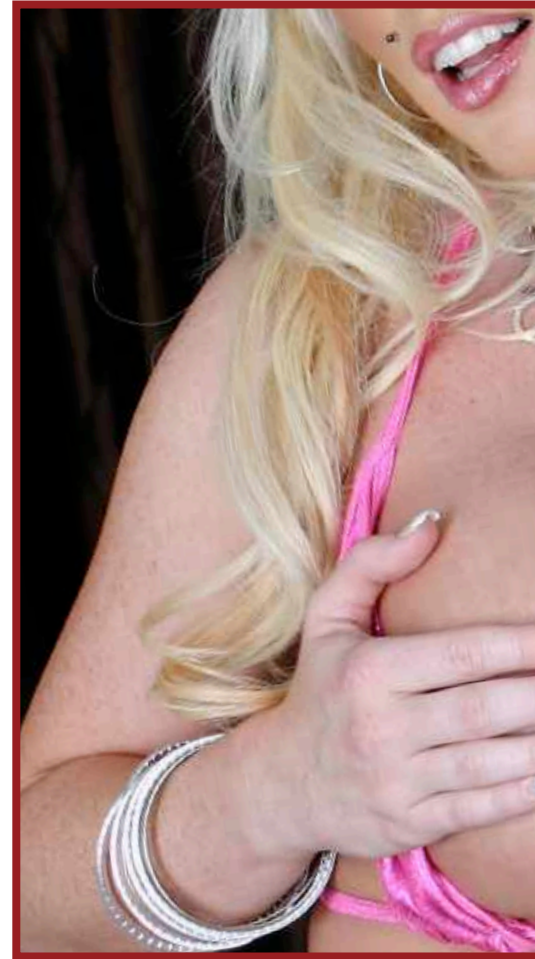

top. She giggled. That seemed to be all they did. All they ever seemed to say was "Wow!" as we told them about what it was like being musicians in a band.

We were already kissing and fondling the girls when Johnno got this idea that we should have a competition to see which one of them had the biggest nipples. Johnno's girl lay down on her back, with her top totally open. His hands were massaging her tits and rubbing her body all over.

She sat up, looked at her sister, giggled and stripped, revealing a lovely young body with big, firm breasts. My chick took off her shirt and showed off her great set: firm, large and juicy like her sister's, and brown nipples that stood out like saucers. I buried my head between them and then began licking my way to the summit, moving my tongue around the channel between those two gorgeous globes. I flicked my tongue over her nipples until they trembled.

She grabbed my hair and was pulling my face into her chest with both hands, moving my tongue to different areas while she made little moaning sounds and slowly slid onto her back, with me on top. But when I took my hand away from her tits and tried to unbutton her cut-offs, she pushed my hand away, whispering "No!"

This was crazy. I had the biggest hard-on in the world. I sat up, a bit pissed off, and saw Johnno and Deb-

bie groaning away, his ass pumping up and down, as she tried to rub her tits against his body and fuck at the same time.

I took Denise's hand and put it firmly on my dick, outside my jeans. "That's all yours, baby," I murmured. I felt her run the palm of one hand over its shape. The vibrations of the van and the thick carpet were definitely turning us all on, and I again tried to unfasten Denise's shorts. Her sister's grunts got louder, as Johnno's ass dimpled each time he drove his fuck stick home into her.

"I'll give you a blowjob if you want," Denise whispered in my ear. I nodded, game for anything now. I thought I was going to burst in my pants.

"Take my clothes off," I told her. I massaged her tits, rolling her nipples

between my thumb and forefinger, as she unfastened my belt and fly, her knuckles brushing against my throbbing cock. I was using the palms of my hands to rub her nipples and cup her tits. As she helped me ease off my underwear I leaned forward and kissed her, my dick cradling itself naturally between her tits.

My cock was standing straight up like a soldier, a little drop of wetness already on its circumcised tip. I shifted myself up against the side of the van and brought my knees close to my chest.

Denise's long blonde hair was hiding her face and my hands were still on her jugs, squeezing them hard. She leaned forward and her tongue flicked across the tip of my cock, making me shiver. Her tongue began to lick the

head, then the stem, running slowly up and down from my balls to the tip, as one hand massaged the shaft and her other hand fondled my balls.

"Suck it," I groaned, and reached for a bottle of beer. I watched Denise suck and was fascinated as her warm, wet saliva dribbled out of her mouth and began to trickle down my cock. Not only was she licking at it, but suddenly she was sucking and slurping. I could feel the pressure around my cock as it throbbed. Denise's bobbing head and slurping began to pick up speed.

Johnno and Debbie had finished fucking. They were sitting up, a tangle of arms and legs, watching us with sated amusement. "She gives great head," Debbie said. "Tell me about it!" I managed to gasp, while feeling the

urge to come grow stronger, subside, and then grow again. Denise licked and slurped and sucked, her hands all over my balls and her fingers and thumb rubbing up and down the exposed part of my shaft, as my ass began to jerk up and down.

"She's saving herself," Debbie explained.

"What?" Johnno exclaimed, laughing.

"She doesn't mind giving head. In fact, it turns her on. But she's still a virgin and she promised to save herself for her husband."

"She's crazy," Johnno said, still laughing and shaking his head. I began to moan as Denise's warm saliva ran down along my balls and dripped onto the carpet. I'd never known anyone to produce so much spit while sucking. Denise's sister and Johnno were sipping some beer, still stark naked, and she was rolling a joint.

Chuck, who was driving, had turned the music up loud. I felt myself on the verge of coming. I gripped Denise's head with my hands and began to help her move it up and down, up and down. Her tongue kept flicking, her mouth making that sucking sound, the pressure really getting to me. Debbie saw the expression on my face and got up on her hands and knees. She crawled across the floor and began French-kissing me, her tit-ties sticking into my chest, her tongue flicking against the tip of mine.

Denise had her hands on my knees for balance, as her mouth and tongue worked up and down on my cock, sucking and slurping. I put the fingers of my left hand into Debbie's wet cunt, as she continued kissing me, and she moaned into my mouth. I could feel her juices begin to collect, as my fingers dipped into her cunt and her hips began to pump. I couldn't hold back any longer. Deep in a tonguedarting kiss into Debbie's mouth, my cock

She slid her hot pants off and exposed the cutest little ass you've ever seen. She had a pussy that was just begging to get fucked...

exploded, my sperm shooting into Denise's mouth as she continued to suck and swallow every drop.

Debbie moaned and moved up and down on my fingers, which were buried inside her, her love juices running down my hand and onto my wrist. I was panting while Debbie sat back on her haunches and fingered herself to orgasm. Denise sat up, and on both girls I could see the sweat of passion as the air conditioning began to cool us off. Their nipples remained erect, as my cock began to go soft.

Denise crawled up my body to kiss me and deposit my cum in my mouth. Then she fingered herself off, looking me right in the face. Her hand worked in and out of her cunt faster and faster as she spread her knees farther apart for me to see her swollen hairless cunt and its pink lips. She convulsed and then finished by raising her hand to her mouth. With a sly smile, she sensually licked and sucked the juices from each finger.

"My turn again," said Johnno, his dick standing up proudly. Denise had turned me on, and my dick was growing again too. Johnno then said, "Tell Denise to take her pants off. We won't fuck her if she doesn't want it, but there's a lot of other things we can do."

Denise nodded and shyly sat up. She slid her hot pants off and exposed the cutest little ass you've ever seen. She had a pussy that was just begging to get fucked. Johnno got on his hands and knees and spread her legs apart with his head. He began to lick Denise out right next to me. Then Debbie moved close to my face and said, "I want to fuck you. I wanted to when I first saw you, but you wanted my sister instead." We were inches from each other, her face above mine.

"I thought you wanted to be with Johnno," I whispered back.

"Not as much as I want you now."

She placed her hand on my cock as we spoke, massaging it to a full stiffness, which didn't take much effort. Then she perched herself astride me, as if she were about to take a piss, and moved the top around her cunt lips until I felt them get wet. Then she impaled herself slowly on my cock,

She licked her nipples as I began to jerk my hips into her with strong thrusts. I lifted my ass to meet her cunt with my cock and keep the contact warm and strong. The higher I lifted my pelvis, the more weight she allowed me to take her rolling body. She was literally riding me. I lowered

gradually sinking lower and lower, as she became wetter by the second. She sat on my legs, rotating her hips to keep me hard and grinding my pelvis against her clit.

Denise placed her legs around Johnno's neck and was crying quietly. "How much farther are you two going?" Chuck's voice innocently called out from the front seat, over the loud music.

"Much farther," Debbie shouted, rubbing her tits with her own palms, and then cupping them for me to see.

my body again and she began to do squats on my cock, her body going faster and faster.

Then she got on her knees. Her hips were pumping her cunt up and down, her juices running down the insides of her legs and onto my pubic area. It was amazing. Pump, pump, pump! The vibration of the van's floor sent tingles through my body, as this big pair of firm tits bounced before me. Her warm snatch just seemed to swallow me up as she pumped faster and faster, without letting me do

Her warm snatch just seemed to swallow me up as she pumped faster and faster, without letting me do anything except lie on my back and enjoy the raw sex.

anything except lie on my back and enjoy the raw sex. This was the life, I thought, watching her concentrate on the huge dick inside her without missing a stroke.

I could see she was on the verge of coming, as her breathing got heavier. I'd had enough of this chick dominat-

her legs and took my hand away. She reached down and found my cock, which she grasped with a fist. She squirmed and moved her ass back toward me, until she had the tip of my dick in her cunt. She pushed back on it until it was all the way home. Then she began moving but too quickly, so

into the back of the van and dropped his pants, waving his cock in Debbie's face. She tried to avoid him, but I held her firmly.

"You can blow him. He's a buddy," I told her.

Worked up to a frenzy, Debbie agreed to do anything just to get some more of my cock. She grasped Chuck's dick in her hand and guided it to her mouth, sucking hungrily. I started to jerk the tip of my numb prick rapidly back and forth, my finger circling Debbie's clit. I rubbed her cunt in conjunction with the movement of my dick. I was slowly losing control, and all I wanted to do was fuck Debbie silly, as she slurped on her new lollipop.

Chuck began shouting "Oh, man!" as Debbie sucked his dick and I rammed my dick into her from behind. None of us realized that the van had stopped moving, until I saw Bill, the driver, climbing over the seat to join in the orgy.

So there we were, in the middle of nowhere, the traffic passing us by. I was on my side, with Debbie pulled tightly to me, my cock stuck up her ass. Bill entered her cunt, while she kept sucking Chuck's big salami.

"We'll have to get the timing right on this one," I said, but Debbie was too far gone to hear me. She was really digging the wild scene, with three cocks stuffed into her hot body!

Meanwhile, Denise had finally surrendered her virginity to Johnno's lust, and we were all fucking so madly that we damned near tore the van apart. It was the best trip to a gig that we ever had!

When we arrived at our destination in Miami we were stiff and sore. We swaggered into that packed music hall and gave the best concert of our lives. Chuck, Bill, Johnno and I had found ourselves a new pair of groupies, and we all had stars in our eyes.

ing me, so I pushed my cock as high as it could go, taking her with me. Then I suddenly pulled out of her, my dick still shiny and hard. "Turn over," I instructed her.

She meekly did as she was told and I spread her legs wide from behind, slipping my fingers into her dripping cunt. Johnno was lying on his back and Denise was giving him head.

"Quick, quick, please!" Debbie begged me, urgently pressing her cunt onto my hand to keep the feeling in her clit strong. I knelt down between

I grabbed her ass cheeks and rammed myself into her as far as I could go.

She groaned with pleasure and fell forward, keeping her ass in the air. I slowly pulled myself out, until I was on the verge of coming out of her, but I held firm and slowly moved back into her again. As "Riders on the Storm" by The Doors played for the third or fourth time, I began to fuck Debbie to the rhythm of the song, gradually picking up speed.

Chuck had seen and heard enough. Ready for action, he climbed

When I started feeling comfortable naked, I'd walk around my apartment with nothing on. I'd sleep naked, I'd swim naked, I'd walk around outside naked. Wherever I could be naked, I would be. The more I got naked, the more comfortable I felt. But when it came to being naked on camera, that took a very long time!

finally letters:

More letters have come into the office that we had to share just a couple more with you here today

Let me tell you about this bachelor party we organized for a friend of mine. I was the best man, and even though I did most of the work to organize the party, even I was surprised by how it turned out.

There were about a half-dozen of us or so, taking a party bus to jump from club to club through the night of drinking and partying. At each stop, it felt like we lost one or two of the guys who just faded in the club we were in, but we also managed to keep replacing them with these gorgeous women.

Before I knew it, there was just the groom and I together with more women than we knew what to do with, and as we pulled up to the final club, we looked at one another and then at the girls. And it was my buddy, the future groom, who finally suggested what we were both thinking, and that was we had enough of a party in here.

The girls, six of them, I think, were quickly all over us. We were set on opposite benches, each with a girl on each side and one grinding on our laps. And it didn't take long for the clothes to start to pile up. The one grinding me was first to pull off her shirt, revealing a tiny bra that barely covered her nipples and allowed her boobs to practically explode out in front of her. The others were quick to follow; two blondes and a brunette for me, who then started to help me out of my clothes.

I got dizzy trying to keep track of who wanted my mouth,

and it became a lot easier when they all lowered themselves to work on my throbbing cock. Three sets of lips and tongues moistening and whipping over my meat sent all sorts of rushes through me that I thought I'd never felt. Occasionally, I'd feel one leave just for a second before they returned, and when I looked up, I saw that they were moving back and forth across the aisle between my buddy and me, sharing us between them.

I couldn't believe what was happening, in the back of a party bus, with the loud music thumping and the lights providing all sorts of sparkling distractions, I had to admit that the feeling was almost overwhelming. That was, until I felt their mouths move away from my dick as one of the brunettes moved up on my lap and let my dick slide into hungry vag.

I almost lost it right then and there, especially as the other two I had at the moment were playing hard with my nipples. That was when one of them leaned down and whispered that they didn't want me to hold back; that they all wanted a turn. I peeked up at my buddy, seeing the same look of surprise on his face as one of the blondes was already screaming loudly as she bounced on his lap. All I could do was shrug at him and turn my attention back to the lovely who was riding me. And it didn't take long at all before I blasted the first load, much to her satisfaction if her grin and moan was anything to go by. She let her pussy squeeze me a couple of times before sliding off, and the other two

around me quickly started slurping at my cock, relubing and preparing it for the next ride.

All night long, my buddy and I kept swapping the girls, who every now and then moved back to each other, making out, and eating out each other's pussies. At one point, they lined up with their asses out as my buddy and I just moved down them in a line, me always right after him as the groom.

By the time we finished, I must have blown at least four or five loads and was completely spent as the sun slowly started to come up on us. The groom was even worse for wear and ended up passing out just as morning started to break. Eventually, we pulled

All night long, my buddy and I kept swapping the girls, who every now and then moved back to each other...

sure how I pulled it off, but it turned out to be one of the best days of my life by far.

It started out with a ping in the morning from Monica, a red-headed firebrand I've been seeing casually. 6'3" and with a fiery passion, she's a lot for any one person to handle, and that day was my morning. She came over for a little bit, I made some waffles, and we headed to the bedroom where her lips were around my cock in a matter of seconds.

Her tongue always knows how to dance around, moving from slit to head to shaft and even reaching out for balls while swallowing my meat whole. I was rock hard and swollen from the first breath she

ourselves together and got dressed. We dismissed the girls from the bus and had them return us back to my place, where everyone had started the night.

When we got there, the groom and I were greeted by the sounds of wild applause. The rest of our friends were there waiting for us with wide grins, along with the women who'd made our night. Apparently, the whole thing had been our friends' idea; them vanishing, us picking up women, the night on the bus, all of it had been planned out as a gift for us, a last, wild ride before the groom tied the knot. And I immediately asked our friends to plan my bachelor party. Whenever that might be.

— Chris, Oceanside, CA

one day, three dates

A few weeks ago, life's fates aligned to give me three dates on the same day. I have to tell you I'm still not entirely

spread over my manhood, and when I was good and wet, she slid herself on let out a feral scream as she rode me to the edge and back. And, as soon as she was done, she was gone.

As wild as Monica was, she was also predictable. I knew where I stood with her. I knew that I was a tool for her needs, and if mine got met, well, great for me. And, really, I never missed one of her calls because it was always great for me. But it was as she was leaving that my phone chimed with a message from Andi, a hot new girl from work with long raven-black hair and a natural tan that just seemed to draw the eyes in. I'd been asking her out for a few weeks, but never a bite until then. She was free for lunch and wanted to know if I'd like to hang out for a bit.

I didn't hesitate to jump in the shower and clean up just in time to rush over to the restaurant where we were meeting. I was only a few minutes late, and I was glad that I was. I caught sight of her sitting in the restaurant and seeing her in her out-of-work clothes just dropped my jaw to the floor.

As beautiful as she was on a normal day, those clothes did not do her justice. She was wearing a tight-fitting sport shirt that looked to be doubling as a bra and showed off how muscular and strong she was. Her midriff was left exposed, and she wore small, tight shorts that made it look like she was just coming in from a run. I was able to compose myself just as she turned and noticed me, waving me over with a huge smile and greeting me with a hug that quickly re-energized my crotch.

Andi wasn't anything like what she seemed at work, instead demanding that I start pounding her.

cause just as Andi stepped out of the shower, she started talking about me staying longer. Now, don't get me wrong, that might have been an amazing night on its own, but I'd already been with Andi that day, and now this bombshell wanted a go, I had already agreed. So, I excused myself with the promise to see Andi again and dashed home just in time to meet the third girl.

This was one of those times where pictures on the internet just didn't do her justice. Tracy was tall and leggy,

We sat and talked for a while over the meal before she suggested a movie back at her place. Well, I wasn't about to turn her down, and before I knew it, she had just got me inside the door before she pressed me back and started ripping at my clothes, and who was I to say no?

She led me back to the bedroom where I quickly discovered that the few clothes she was showing was all she had on, with no underwear or bra, leaving her naked on the bed quickly. She begged me, pleaded with me to take her, to give her what I could. Without hesitation, I lay over the top of her and slid myself inside. I started soft and slow, but Andi wasn't anything like what she seemed at work, instead demanding that I start pounding her. I moved her around the bed, taking her on her back, doggy, on her chest, and eventually, standing over her and piledriving her until I finally pulled out, letting my juice shoot all over her, from her pussy to her face and leaving us both on the bed tired, but satisfied.

It was as she started to clean herself up that I got the message from the app. This blonde chick with bright blue eyes and the body of a goddess named Tracy messaged me and asked if I wanted to hook up. She had great timing, be-

wearing a tight short dress that left next to nothing to the imagination. I gaped my approval and led her inside, where we ended up on the couch. This time, though, it was me taking the lead. I leaned over her and started making out, my cock already saluting for his third round of the day. Her dress didn't last long, tearing rather than yielding, but it didn't matter. Once it tore once, I just ripped it off to see the lace lingerie Tracy wore, while she lay there playing with the edges, teasing me to take off the rest of her clothes.

I happily obliged, and quickly turned her around, eyeing her ass. It was the one hole I hadn't gotten so far that day, so I quickly slid in the back door, sending Tracy into a wild string of moans as her fingers played with her pussy. I went all the way, blasting into her ass and leaving myself inside as I slid down next to her on the couch, tired, but beyond satisfied with a great day!
